Burwell Pharmacy**

NATIONAL WALK AT LUNCH DAY

Burwell Elementary School students will be taking part in Blue Cross and Blue Shield of Nebraska’s 6th annual **National Walk @ Lunch Day®**, Wednesday, April 25 at Burwell City Park. The event is 12 noon to 1pm. Think about walking yourself. Sign up through the Loup Basin Public Health Department.

National Walk @ Lunch Day is designed to encourage healthy living habits for a lifetime. Walking is one of the easiest and best ways to get and stay in shape.

April is nationally recognized as Child Abuse Prevention Month. Join Prevent Child Abuse Nebraska’s Pinwheels for Prevention® campaign “Connect, Listen, Support” to help our community take an active role in promoting healthy child development— so that child abuse and neglect never occur. The campaign promotes healthy child development, positive parenting practices and community action. Notice the Pinwheels around town and in the Elementary school. For more information on Pinwheels for Prevention go to www.NebraskaPinwheels.org

Sponsored by the GLW Children’s Council.

BURWELL PUBLIC SCHOOLS ELEMENTARY FIELD DAY

©Johnny Sajem * illustrationsOf.com/42370

The Burwell Public Schools Elementary Field Day will be held on **Friday, May 4 2012.**

We are seeking volunteers and we hope that you will consider giving your time. As a volunteer you will be asked to escort a group of students to the races and field events.

We will need 2 or more parent/volunteers for each group of students, about 20 volunteers.

SCHEDULE CHANGE DUE TO FACILITY USE

*When you do good things,
Good things happen.*

The single most important thing you can do to keep your students school skills sharp during the summer is read.

- ⇒ Join the reading program at the Library.
- ⇒ Read fun things like the funnies in the news paper every day.
- ⇒ Chose a read aloud book and read to each other at breakfast or bed time.
- ⇒ Make it fun not a chore and just read.

Spring Concert

"Cool" Fifth Grade Boys

Pop Cans for Payton

The 4th grade class has joined the Roots and Shoots program. This program is designed to help student become aware of, learn about and work to solve local and global difficulties.

This class has chosen to help Payton Agan. By collecting pop cans and donating the proceeds from the aluminum sales to help with Payton's chemotherapy, they are working to help solve a local problem.

You can help! Bring your empty pop cans to the elementary school during the month of April and we will turn them into a solution.
