Jefferson Knapp

On November 4th, Jefferson Knapp, an author from Kansas visited Burwell Elementary. The props he brought and the books he wrote were nothing short of amazing. The students enjoyed listening to him!

1st Grade Fun

Teacher: Mrs. Christen

The First Graders learned who veterans are, and the different branches of the military. In Scholastic News we read about the Blue Angels. Then we made and flew paper airplanes!

In Science, we learned that birds have different types of beaks because they eat different types of food. We experimented with two different beaks to see which was easier to eat with.

We are learning different strategies to help us add numbers. We can count on, make a ten by making number bonds and ten frames. We have also learned to add three numbers.

TURKEY BINGO

The students played Turkey Bingo before Thanksgiving break. If they got a bingo, they had to “gobble” all the way to Mr. Nelson’s office to receive their prize. This is always so fun!

Longhorn Spirit Shoppe

The Longhorn Spirit Shoppe and Graphic Design Center can help with all of your holiday gifting ideas this year! From custom caps to laser engraved mugs, they have ideas for the hard-to-shop-for people in your life. These items are designed and made by students at Burwell High School in their Intro to Digital Design or Innovative Technology classes. Most items can be customized for a personal touch!

Things that they have made recently are: living hinge photo albums, custom t-shirts or sweatshirts, ornaments, keychains, 3D printed fidget toys, custom doorhangers and home decor, cutting boards, bookmarks, keychains and more!

If you have an idea in mind or would like a quote, give Mrs. Weber a call or email at: 308-346-4150 or ronda.weber@burwellpublicschools.com.
