Classes are limited to a maximum of 24 students. Enrollment will be on a first-come, first-served basis. Each student must either have a School Permit, School Learner's Permit, Learner's Permit, Provisional Operator's Permit, or Driver's License in order to take this course.

If the Driver Education student is under 18 years of age at the time the course is completed, passing the course with his/her current permit results in a waiver of the written and drive tests at the Nebraska Department of Motor Vehicles' (DMV) Driving Examination Office. If the student is 18, or older, he/she will receive a certificate of completion, but must still take the written and drive tests at the DMV office.

This course conforms to the rules and regulations of the DMV and exceeds the criteria established for insurance discounts. Per Nebraska state rules and regulations, "Students must attend all course presentations and pass all examinations". Therefore, there are no 'unexcused absences' allowed. Any missed classes for extenuating circumstances (i.e. illnesses with an accompanying doctor's note) must be made up and may include additional fees.

On-Street Drive times are scheduled with the instructor at mutually convenient times. Students are provided up to 5 (five) hours of On-Street Driving time. Students requiring more than 5 hours will be charged \$50.00 per hour. If a student schedules a time to drive and is not present for the lesson, that lesson will be rescheduled and the additional fee will be assessed.

If a student requires accommodations relating to the classroom and/or driving, please contact the Nebraska Safety Center prior to the beginning of the course. Special arrangements can be made to accommodate these needs.

Details regarding the required parent and student orientation meeting will be sent to you in a letter confirming the student's enrollment in the course.
