Procurement Plan – School Food Authorities

The following procurement policy statement shall govern all purchasing activities that relate to any aspect of the National School Lunch and Breakfast Programs. This statement is meant to provide guidance to our personnel and vendors on acceptable and/or required procurement practices. Our goal is to fully implement all required and recommended procurement rules, regulations and policies set forth in 2 CFR 200, 7 CFR parts 210, 3016 and 3019, and by the State Agency.

Procurement Policy

The purchasing procedure to be followed shall be determined by the anticipated total annual expenditure on items related to the food service program:

- When the annual total for food service program related items is less than \$250,000 per year (per procurement event or in aggregate purchases) this organization will follow the informal Small Purchase Procedure.
- When the annual total for food service program related items is greater than \$250,000 per year (per procurement event or in aggregate purchases) this organization will follow the Formal Competitive Solicitation Procedures.

Micro-Purchase Procedures

Micro-Purchases may be used for annual transactions under \$10,000 made with a vendor [2 CFR 200.320(a)].

Prices will be reviewed for reasonableness [2 CFR 200.320(a)].

Purchases will be spread equitably among all qualified sources [2 CFR 200.320(a)].

Small Purchase Procedures

For purchases made below the small purchase threshold, Small Purchase Procedures will be utilized to purchase necessary goods and services. When Small Purchase Procedures are used, this organization will take the following steps:

1. Contact a minimum of three potential vendors
2. Document each vendor's quoted price
3. Select the company that provides the lowest, most responsive, and responsible bid
4. Inform all bidding companies in writing of the final decision made by the sponsor
5. Write contract for meal service between the sponsor and the winning bidder.

Formal Competitive Solicitation Procedures

For purchases made in excess of the small purchase threshold, a Formal Competitive Solicitation will be conducted. When Formal Competitive Solicitation Procedures are used, this organization will take the following steps:

1. Prepare an Invitation for Bid (“IFB”) or Request for Proposal (“RFP”) document specifically addressing the items to be procured
 - a. Include detailed specifications

- b. Ensure price will be most heavily weighted
2. Publicly announce and advertise the bid/proposal at least 21 calendar days prior to bid opening
 - a. Announcements will include the date, time and location in which bids will be opened
3. Determine the most responsive and responsible bid/proposal by using the selection criteria set forth in the bid/proposal document
 - a. Responsible bidders will be those whose bid/proposal conform to all of the terms, conditions and requirements of the IFB/RFP
4. Award the contract
 - a. To the most responsive and responsible bidder based on the criteria set forth in the IFB/RFP
 - b. At least two weeks before program operations begin
 - c. If a protest is received, it must be handled in accordance with 7 CFR 210.21
5. Retain all records pertaining to the formal competitive bid process for a period of five years plus the current year

(Note: If the bid threshold established in the sponsor's procurement policy statement is less than \$150,000, the smaller bid threshold will govern.)
